Father Dominic Briese, O.P. will preach on Healing, and he brings a wealth of knowledge in this area. A cancer survivor, Father Dominic is able to combine his pastoral and personal experiences into positive healing messages. He has been a Dominican Preacher for twenty years and has been able to reach out to all people from his roles as Director of Campus Ministry, Pastor in a variety of Dioceses in the Western States, minister to prisoners, and minister and comforter to the sick and dying. Please send in your petitions to Fr. Martin Walsh, O.P.
